**Reiki I Certification: Friday - April 20: 6:30 pm - 9:30 pm**

An ancient Tibetan Healing wisdom was revealed to a Japanese man well over 100 years ago. Through sacred journeys and a desire to discover how to heal body, mind and spirit, he studied Sanskrit, and journeyed to the temples of ancient texts in Tibet. However, his true discovery came after a 21-day Vision Quest. Through a deep and sacred dedication, Dr. Usui received a mystical attunement of Light. He then brought wisdom of Reiki to others. In this class you will learn the history of Reiki, a Reiki attunement, and the wisdom for using this energy in all areas of your life.

**Reiki II Certification: Saturday - April 21: 9:30 a.m. - 4:30 pm**

Attuned as a Reiki II master, you explore sacred symbols, learn about Distance Healing, Group Healing, and Energy Healing through the subtle fields of consciousness. As a Reiki II master, you are able to extend your healing gift to the general public.

**Reiki III Certification: Sunday - April 22: 9:30 a.m. - 4:30 pm**

Attuned as a Reiki III Master, you will explore soul healing, how to become a teacher and one who attunes others. This sacred teaching helps you further your gift as a healer. It is at this level you accept a greater responsibility as a healer.
